

# ZOOM Agreements!

*In our classroom community, we....*

**Work from our workspace.**

**Have only supplies in our workspaces.  
No extras!**

**Mute our microphones.  
Unmute when it is our turn to be heard.**

**Snack during breaks and have a water  
bottle in our workspace, if we need it.**

**Look at the camera.  
Make sure everyone can see us, and we  
can see everyone.**

**Wear school clothes during ZOOM times.**

**If you would like, set one background for  
the day from the Park Day School list.**

**We stand or we sit in a place in a way that  
we can learn.**

## *ZOOM Agreements!*

*In our classroom community,....*

*We learn from our work spaces.*

*We stand or we sit* in a place where our body can be calm and our brain can be learning and thinking.

*We mute our microphones*, unless we are asked to unmute and it is our turn to be heard.

*We look at the camera* so that everyone in our community can see us clearly and we can see them. Let us know if this feels hard, and we can talk.

*We wait to eat until break times*. It is fine to drink water during learning times!

*We have just what we need for learning in our work spaces*, no extras!

*We come dressed in our school clothes during learning times*, unless it is a special PJ day!

*We can set one background from a list that Park Day School will provide at the beginning of our ZOOM*. We keep that background for the entire meeting. You can also choose to not use a virtual background.
