

Digital Citizenship Guidelines

Safety and Responsibility

I will act in a respectful manner, as I would do face to face.

I will only use apps/sites as directed by my teacher when using school devices.

I know that information I share on the internet is rarely private.

I will only download software to school devices with teacher permission.

I will be honest and come to an adult with a problem.

I will not intentionally damage school equipment.

Online Learning Expectations

I will check for assigned work and complete it by the due date.

I will manage my time appropriately.

I will ask questions, and check if my teacher has answered them.

I will keep my documents organized and properly labeled.

I will look for teacher comments and respond to them as directed.

I will not represent someone else's work as my own.

I will check my work carefully before posting online.

I will stay focused on my work during instructional time.
