

# Community Safety Agreement

Park Day School • 20 days ago • Thursday, Aug 19 at 4:57 PM • **Park Day School**

## **Park Day School Community Safety Agreement**

We are in this together. Keeping campus safe will be highly dependent on the partnership of all of our community members, on and off campus. Although the risk of viral transmission cannot be completely eliminated, it can be mitigated significantly by a social contract between all stakeholders. We expect all staff and families to be respectful of each other, to collectively safeguard the health and safety of others, and to abide by the policies, procedures, and orders related to COVID-19 implemented by the state, county, and school.

We ask that every community member take appropriate precautions and follow a common social agreement (below) to mitigate the spread of COVID-19. **Family commitment to the Community Safety Agreement, indicated by electronic signature, is required as a condition of returning to campus.** *Note that when viewing from your mobile phone, you must click-through to sign by clicking "Form" at the top of this message. On your desktop, your signature falls at the bottom of the post.*

As a member of the Park Day community, I pledge to:

1. Protect my student, myself, and our community by wearing masks, physical distancing, handwashing, and meticulous hygiene in and outside of school.
2. Follow all County and State **travel guidelines**, and adhere to post-travel requirements.
3. Follow all school testing protocols, and have my unvaccinated student tested weekly for COVID-19. Testing can take place either through the service offered at Park Day School or through your medical provider. Test results must be provided to Cassandra McCraw by **uploading here**.
4. I will follow and adhere to all CDC, CDPH and all health and prevention strategies and protocols communicated in the **Covid Safety Plan** and as shared by the school. I understand that these are subject to change and will be updated depending on new guidance and transmission levels applied to the Park Day School context.
5. Keep my child home when they or any member of my household, are sick or experiencing COVID-19 symptoms including fever, cough, shortness of breath, vomiting, diarrhea, loss of taste/smell, or runny nose.
6. Conscientiously conduct the daily health screening through **Titan HST**.
7. Notify our Public Health Liaison Cassandra McCraw at (510) 653-0317 or [cassandra.mccraw@parkdayschool.org](mailto:cassandra.mccraw@parkdayschool.org) regarding sick household members or if any household members have tested positive or had close contact (less than 6 ft for more than 15

min) with someone who has tested positive for COVID-19, and follow all associated protocol as outlined in the **Covid Safety Plan**.

Given that safety and health is our top priority, Park Day School reserves the right to restrict access to campus to any community member who does not fulfill and honor the Park Day Community Agreement.

## Form Input

**Complete by Tuesday, Aug 31**

**Student Name**

**Student ID#**

**Student Grade Level**

**Student Class**

**On behalf of myself and family members listed below, I agree to uphold the community safety agreements outlined above. Please type the names of all family members below. (It is only necessary to complete this form once if you have more than one child at the school).**

\*

I understand and agree to follow the terms and conditions described above.

I assert that I DO NOT AGREE with the terms and conditions described above.

**Parent/ Guardian Name**
