

HEARD

"Nothing" -huh?!

"I haven't heard much outside of this class"

"This could change the future"

"My mom screamed!"

"I think this will change things"

"There might be an appeal process"

"There might be riots"

"3 guilty counts"

"Wasn't there another shooting of a 13 year old?"

"Please"

KNOW

"Nothing"

"First time watching so lots of new information"

"A black man was killed by the police" + many more

"George Floyd had a family"

"There were no riots"

"Doctors testified with medical science"

good science. yes!

"3 more officers to be charged"

"Another killing the same day and the day after"

FEELING

"I don't know"

"Lots of emotions!"

"More justice"

yes!

"Relief"

"Optimism"

"Tears"

"Happy to hear"

"Sad"

"You see all of the names on the signs. This took so long and it's only one person. There are so many more"

"Still have lots of work to do!"

"Confused by hearing that some people think The BLM movement will be over because of this"

"Hope"

WANT TO KNOW?

"Would something like this happen if the person that was killed was white?"

"What does JUSTICE look like?"

"When will the sentencing and court cases for the other police begin?"

"How is George Floyd's family being supported?"

"Because of this, will there be less police killing POC for no reason at all?"

"More facts behind this case"

"What can I/we do about this?"

"What real impact on laws and police accountability?"

"Why do police kill black people. What are the benefits."
