

# Indexed Tuition

Since its founding in 1976, Park Day School has always been grounded in equity, access, and social justice. Socioeconomic diversity is a cornerstone of all that we do. Park Day School uses the [Clarity Application](#) to determine a family's Indexed Tuition level, enabling families to enroll with a tuition level that fits their financial circumstances.

\*Percentage a family pays on the tuition index

## Paying Tuition

Families may choose to pay annually in 1 payment, 2 payments, or select an extended payment plan that runs April - December. There is a one-time New Student Enrollment Fee of \$1,100. Families participating in the Indexed Tuition program receive a discounted rate. For families enrolling more than one student, the fee is charged only for the oldest child; enrollment fees for additional siblings are waived.

\*Weeklong overnight trips in 7th and 8th grades carry an additional cost which may be distributed over 10 months
